

# Aniket Dhage

Front-End Developer

9673517187 • Nanded Maharashtra • aniketdhage90@gmail.com • Portfolio | [Linkedin](#)

Experienced Front-End Developer with 3+ years of expertise in React.js and Next.js, adept at building scalable and high-performance web applications. Skilled in modern JavaScript, REST API integration, and creating responsive UIs. Proven track record in collaborating with cross-functional teams to deliver production-ready applications.

## Professional Experience

FRONT-END DEVELOPER | CT INFO PVT LTD, PUNE, MAHARASHTRA  
APRIL 2023 – PRESENT

- Developed scalable and responsive web applications using React.js, improving overall user experience by approximately 30%.
- Built cross-platform mobile applications for Android and iOS using React Native with Expo.
- Designed reusable and modular React components, reducing development time and improving code maintainability.
- Integrated RESTful APIs and managed global state using Context API.
- Implemented modern UI designs using Material UI, Styled Components, and Tailwind CSS.
- Collaborated with designers and backend engineers to deliver maintainable and scalable frontend solutions.
- Used Git and GitLab for version control and participated in code reviews to maintain code quality.
- Debugged UI issues and ensured cross-browser compatibility and basic accessibility (ADA-friendly practices).

FRONT-END DEVELOPER | SAPIO ANALYTICS, MUMBAI, MAHARASHTRA  
FEBRUARY 2022 – OCTOBER 2022

- Developed and enhanced frontend features using React.js based on client requirements.
- Improved team productivity by organizing feature development and bug tracking through component-based architecture.
- Collaborated with developers to update existing pages and implement new UI features.
- Performed daily code maintenance, debugging, and issue resolution.
- Built dynamic and browser-compatible pages using HTML5, CSS3, and React.js.

## Education

Post-graduation diploma in Management | MIT College  
pune | June 2024 – Present
